

MALIBU OWNERS GET TOGETHER & JUST RIDE SERIES

WHEN: Sunday 14th March 2010

**WHERE: Del Rio Resort - Wisemans Ferry
(Over Webbs Creek Ferry)**

Once again the time has come for us to all get together and enjoy a great day with your Malibu "family". This year's event will be held back at Del Rio which has great facilities including a pool, volley ball court, 9 hole golf course & fantastic grounds. There is plenty of parking and a boat ramp provided so please feel free to bring your pride and joy. Bring your ski, board, tube, knee board, Sky Ski and show/share your skills with us. Kick off will be from 9am and finish when you have had enough of the on water fun. There are also cabins & plenty of camping for those who want to make a weekend of it!

We are planning on having as many New model boats there as we can so if you're thinking that it is time to upgrade or just see what has changed this will be a perfect chance to go for a Ski/Wakeboard behind the boat/boats of your choice. We will have Malibu Team Riders, Scotty Kell of Black Diamond & Malibu & GRE staff on hand for expert advice.

We will be providing a BBQ lunch, and snacks are available from the canteen throughout the day, so all you need to do is come along, relax and have a great day.

We are really looking forward to catching up with you all.

For catering purposes please let us know if you will be there for lunch.

Hope to see you there!!

Karin, Grumpy, Dean, Rob and the rest of the GRE team.
