

2018 WAKESETTER 20VTX

THE CROSSOVER #1 FOR FUN

The 2018 20 VTX is the world's #1 crossover towboat, delivering optimum wakeboard wakes, surf waves and world-class slalom flats. It's an ideal family boat that seats up to 11 people, trailers with ease and can be stored in most garages. This traditional-bow powerhouse is the only towboat in the crossover class with a center-pull ski pylon, and it's three-event certified for tournament skiing.

LENGTH:	20' / 6.10m
BEAM:	98" / 2.50m
STD TOW WEIGHT:	5843lbs / 2650kg (approx)
CAPACITY:	11 people
FUEL:	38 gal / 144L
HULL:	T-cut Diamond
DRAFT:	27" / 0.69m
BALLAST STD:	749lbs / 340kg
BALLAST MAX*:	3560lbs / 1615kg

*"Ballast Max" is a calculated figure when combining standard ballast, option bow tank, plug and play bags and calculated effect of the option Power Wedge 2. It does NOT represent the boats capacity

2018 Wakesetter 20VTX Specifications

All Australian made 2018 Wakesetters are standard with a close cooled FORD "MONSOON 410 6.2L" EFI marine V8 engine inc F-N-R transmission by Indmar

Standard Features

- "Walk Thru" Open Bow design
- FORD 6.2 litre "410 Monsoon" EFI marine V8 engine with standard closed cooling and 5 year warranty
- Livorsi throttle/shifter
- Sea Strainer raw water inlet filter
- Malibu 7 inch Touch Screen Command with custom throttle profiles, stereo controls, service reminders and more.
- 12 inch high resolution IPS touch screen featuring Ballast monitoring, GPS cruise, Power wedge & Surfgate controls, and more.
- Custom rider "pre sets" for ballast, speed control, Power Wedge and Surfgate (if fitted)
- Speed (cruise) control - Paddle wheel and Zero Off GPS
- Push button to start (keyless)
- Malibu stereo system with amplifier and 6 wet sounds speakers, bluetooth connectivity and auxillary inputs. (USB & 3.5mm)
- 100% fibreglass construction utilising FibECS
- "In laminate" acoustic insulation (Malibu sound suppression layer)
- Fibreglass floor (White or Lt Graphite) with deep storage and mats
- "Snap Out" Aquamat Tuffed cockpit carpet insert.
- Illusion G3.5 wake tower inc Malibu bimini top, a pair of "swing in" combo board racks and new quick release latching system
- HI FLO MLS Mid ship ballast tank (136 litres)
- HI FLO MLS Rear sub floor ballast tanks (Total 220 litres)
- Optional HI FLO MLS Bow ballast tank (95 litres)
- Digital Ballast monitoring system (BMS)
- Dual auto bilge pumps, Bilge blower, Navigation lights and Horn
- LED courtesy lights
- Tilt helm rack and pinion steering with adjustable rudder
- Stainless steel steering components
- Leather wrapped "Isotta" sports steering wheel
- Exclusive mildew resistant, UV stabilised vinyl interior with PERMABLOK3® and SILVERGUARD® technology
- Interiors French stitched using 100% PTFE totally UV and weather resistant thread"
- Triple density "Tri-Ply" vented foam cushioning
- Anodised billet aluminium grab handles with Malibu logo throughout
- Bow in fill cushion
- Bow walk-thru wind block
- Adjustable swivel drivers seat with SS seat slides, flip-up bolster & embroidered logo
- Veralex tempered glass windscreen with illuminated model designator and bow access door
- PTM high defention 100 degree wideview mirror with fold down windshield mount
- Lockable glove box with light and audio inputs
- 1 1/8th stainless prop shaft with cutless shaft bearings
- 15 X 15.75 4 blade CNC cut and tuned nibral prop
- Dripless water cooled shaft seal
- Solid 2 1/2" retractable ski pole inc patented swivel head
- Stainless steel centre ski pole base with cap. (Removable 3" solid alloy ski pole optional)
- LED illuminated storage areas
- Removable insulated cooler bag
- Removable Fibreglass swim platform with "SoftGrip" ® mat and stainless steel brackets
- Transom ski tow point with grab handle
- Dual "flip up" petrol fillers
- 3D MALIBU and WAKESSETTER emblems
- Transom staging seats with under storage tubs
- Stainless rub rails
- Oversized stainless cup holders
- Flush kit - Stainless steel - external access
- Premium extra heavy duty maintenance free marine battery with isolator switch

2018 WAKESETTER 23LSV

#1 SELLER FOR A REASON

We believe that reaching a peak is no reason to rest. Our 23 LSV was already the world's #1 selling wakeboard boat, but we created an all-new version for 2018 anyway. The new, deeper hull adds more storage, always useful on a boat that seats 15. In the new interior, our WakeView bench seat gives a close-up view of the action behind the boat, or switches to front view in a snap. With L-shaped tanks to hold more ballast, the 23 LSV can carve an even bigger wake.

LENGTH:	23' / 7.01m
BEAM:	102" / 2.60m
STD TOW WEIGHT:	6614lbs / 3000kg (approx)
CAPACITY:	15 people
FUEL:	65 gal / 246L
HULL:	Wake Plus / Diamond
DRAFT:	27" / 0.69m
BALLAST STD:	1340lbs / 608kg
BALLAST MAX*:	4240lbs / 1923kg

**Ballast Max " is a calculated figure when combining standard ballast, option bow tank, plug and play bags and calculated effect of the option Power Wedge 2. It does NOT represent the boats capacity

2018 M235

THE ULTRA-PREMIUM

Already the world's premier ultra-premium wakeboarding and wake surfing boat, the new M235 is loaded with even more technology and luxury. For 2018, the M235 is equipped with the exclusive new Malibu MultiZone RGB Lighting Controller, a breakthrough in onboard illumination that allows the user to control the settings of up to three zones of RGB lights. The 23-foot, 17-passenger M235 also delivers best-in-class luxury and performance, boasting Malibu's most luxurious cabin, SeaDek flooring and an exclusive walk-through design. Of course, the M235 features the super-deep Wake Plus hull, the Quad Hard Tank Ballast System, the Plug 'n' Play soft-bag system and Malibu's exclusive Integrated Surf Platform for the most customized and extreme wave and wake-creation capabilities.

2018 RESPONSE TXI

REWRITING THE RECORD BOOKS

The original Malibu Response TXi is a legendary ski boat, pulling pro riders to 10 world records. Now, the all-new 2018 TXi is designed to deliver the next generation of dominance—and it's already rewriting the record books. The three-finned T-Cut Diamond Hull creates astoundingly soft, flat wakes, and the TXi's laser-like tracking and precision handling enable it to pull with incredible consistency. Blending function with renowned Malibu luxury and bold styling, the TXi comes equipped with an ISOTTA steering wheel, walk-through windscreen, dry storage with a USB charging port, side combing pads with storage beneath and billet aluminum grab handles, storage compartment lids and available folding ski racks.
