

# 2019 WAKESETTER 20VTX

## UNMATCHED VERSATILITY

The 20 VTX is the perfect compromise because it excels at everything. Its unique Malibu Cut Diamond Hull™ is tournament approved—so you get pro-level slalom water ski wakes—but fill the ballast, drop the Power Wedge III and deploy Surf Gate for a surf wave you're not going to believe came off a 20-foot boat. Besides that, the 20 VTX trailers like a dream and fits in a standard garage. For families who want to do everything, this is the ultimate compromise.
